Dear Prospective Poll Watcher:

Thank you for volunteering to be part of the election process in Volusia County. My commitment to you is to ensure the candidates as well as the voting public will have safe, fair, and accurate elections! I hope you will stand alongside me with this same commitment.

In order that I have all the required information necessary to approve each poll watcher designation, please sign up with the candidate, party executive committee or political action committee that you are representing well in advance of any deadline.

What is a Poll Watcher?

A poll watcher is a person designated by a candidate, political party or political committee to **watch** and **observe** the conduct of elections. Poll watchers are not paid for their services by the Department of Elections or, in municipal elections, the City Clerk.

Who cannot be a Poll Watcher?

No candidate, sheriff, deputy sheriff, police officer, or other law enforcement officer may be designated as a poll watcher.

What qualifications are needed to become a Poll Watcher?

Each poll watcher shall be a qualified elector of the county in which he or she serves. Each party, each political committee, and each candidate requesting poll watchers shall designate on Form DS-DE 125 prior to noon of the second Tuesday preceding the election, the names of poll watchers for each polling room on Election Day. Designations of poll watchers for early voting areas shall be submitted on Form DS-DE 125 to the Supervisor of Elections at least 14 days before early voting begins.

Poll watchers for each polling room shall be approved by the Supervisor of Elections on or before the Tuesday before the election and for the early voting areas to be approved by the Supervisor of Elections no later than 7 days before early voting begins. The Supervisor of Elections shall furnish to each election board a list of the poll watchers designated and approved for a polling room or early voting area. The supervisor of elections shall provide to each designated poll watcher, no later than 7 days before early voting begins, a poll watcher identification badge that identifies the poll watcher by name. Each poll watcher must wear his/her badge while in the polling room or early voting area.

Where do Poll Watchers report on Election Day?

Poll watchers report directly to the polling place assigned on the morning of the election. Poll watchers must be approved and, on the list, provided to the Precinct Clerk to be admitted to the Polling Place on Election Day. Any Poll Watcher who is not listed will not be allowed to observe the conduct of election from within the polling place.

How does a Poll Watcher pose questions or concerns?

Poll watchers shall pose all questions or concerns to the precinct clerk for resolution. The Election Board or precinct clerk is the sole authority in the polling place on Election Day.

Can a Poll Watcher challenge a voter on Election Day?

If a poll watcher wishes to enter a challenge of voter eligibility on Election Day, they must complete an Oath of Challenged Voter form and submit it to the Precinct Clerk.

While poll watchers may file an Oath of Challenged Voter form to challenge a person's right to vote on Election Day, poll watchers must refrain from filing frivolous challenges. Any poll watcher filing a frivolous challenge commits a misdemeanor of the first degree.
